## NEWS FROM OUR 12TH GRADE COUNSELOR

These are busy days at home and school as our seniors prepare their applications for university studies. Some of our students sent off early applications to meet November 1st deadlines, while others who plan to attend schools in Australia, Asia or the Middle East still have months left before their forms are due. Most of our seniors are trying to complete their applications before the December holiday, so they can enjoy some weeks of rest without the extra stress of university forms.

For students **who hope to study in the United, States**, there will be a **VISA Information Meeting for parents and students on Monday, November 29, 2010, from 3:00-4:00 p.m. in the DHS B Building Conference Room.**

Representatives from the U.S. Consulate will be on campus to inform students and parents of the necessary steps to secure visas to study in the United States. Please bring your questions and concerns regarding the process of securing visas to study and travel in the United States. Please email me if you plan to attend so I will know approximately how many parents to expect ([sstapp@isgdh.org](mailto:sstapp@isgdh.org)).

These past months have been challenging but fun for me, becoming better acquainted with the **Class of 2011** and realizing the depth of talent in this outstanding senior class. I am honored to be their counselor and work with you to help them realize their dreams.

- Sandy Stapp

## REPORT CARDS

Report Cards were distributed on the 6th of November. If you have not seen your child's card as yet please contact us.

## Be prepared!

We all know the saying "the early bird catches the worm" so with that in mind we decided to share college application information with our 11th Graders on 31 October instead of waiting till their Senior year. Some information that was made available included:

- SAT/ACT exams and their purpose
- College comparisons on charts, campus checklists, etc
- AP Calendar and Junior Timeline
- University information and contact details

The above will assist our Juniors to make the right decisions for 12th Grade as well as their success in the future.
