

INTERNATIONAL SCHOOLS GROUP DHAHRAN HIGH SCHOOL

ISG provides access to computer technology and the Internet to enhance student learning and to teach the skills required by students to perform effectively in today's technological society.

ACCEPTABLE USE POLICY FOR NETWORK/INTERNET AND COMPUTER TECHNOLOGY AT ISG

1. All use of the Internet and computer technology must be in support of the educational program at ISG.
2. Hardware or software shall not be destroyed, modified, or abused in any way. Intentionally altering files and/or hardware on District computers will be considered to be vandalism. This includes the uploading or introduction of computer viruses.
3. Use of the network/Internet to access or transmit material, which is considered to be inappropriate or offensive to individuals and/or our host country, is forbidden.
4. Downloading of materials or files without permission from a member of the instructional staff is forbidden.
5. Student access to e-mail is limited to class projects and supervised class activities.
6. Illegal use of copyrighted electronic information is prohibited.
7. Students will not sign on to list serves or other newsgroups that result in large amounts of information downloading onto the district networks.

Failure to follow the above guidelines will result in:

1. Loss of access to the Internet and computer technology.
2. Disciplinary action in accordance with the district's code of conduct.

Disclaimer

In no event will ISG be responsible for any damages arising out of the use of the Internet. Use of information obtained via the Internet is at your own risk. ISG specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.
