## Visiting Students

At Dhahran High School, we appreciate visits for campus tours. Since classes are in progress during these visits, we adhere to the following rules for visitors:

Visits are for lunchtime only. All visits must be arranged in advance and approved by the Vice Principal. This form must have an authorized signature; otherwise, the visitor will not be allowed through the security gate.

Please arrive during lunchtime, which is 11:25 to 12:04. You may visit with your friends during this time. You will then be required to depart from campus. Please make sure the student is with you when you check in at the office.
